

HOBGOOD

B A S E B A L L

DRAFT PROTECTION AGREEMENT

I, the undersigned, do hereby acknowledge that

PLAYER: _____

will be protected by:

COACH: _____

as a freeze prior to the draft for the season of:

SEASON/YEAR: _____

in the age division:

LEAGUE (AGE): _____

in Hobgood Park Youth Association.

I further understand that this agreement is only in effect for the above referenced season.

This agreement is null and void upon the completion of the draft and in no way obligates the player to a specific team or coach for future seasons. A new agreement will be signed prior to the draft for the next season.

This agreement will exclude the reference player from the draft in the above mentioned season in the player's age division. Failure to submit a protection agreement, signed by the player's parent(s) and the Head Coach, prior to the draft will void the protection of that player and will make the player eligible to be drafted by any coach.

If more than one valid protection agreement is submitted for a player, all protection agreements for that player, regardless of the date they were signed, will be null and void and the player will be eligible to be drafted by any coach.

A head coach's son or daughter is automatically protected by that coach. No protection agreement is required.
